DDA's Rose Oliver once again spent time with DDA friend, Taiji student and Grammy Award-winning singer Jim Lauderdale in Chicago. Jim managed to take time out of his busy schedule for a couple of training sessions with Rose, continuing his work on the first section of the Yang Style Taiji form as taught to DDA by Grandmaster Dong Bin. DDA are really grateful for Jim's continued generous support and friendship, and looking forward to hearing his latest album!
