DDA teachers Masters Rose Oliver and Wang Ming Bo once again spent time with old DDA friend, Taiji student and Grammy Award-winning singer Jim Lauderdale, this time on a lightening visit to Shanghai.

Jim mainly trained with Master Wang, as well as spending a couple of training sessions with Rose, finishing training in the first section of the Yang Style Taiji form as taught to DDA by Grandmaster Dong Bin.

DDA are really grateful for Jim's continued generous support and friendship; as always it was a great pleasure spending time with Jim!
